

Why should you get an ORCID?

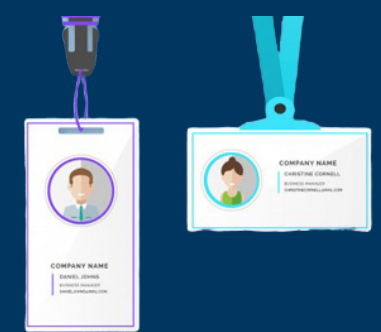

The Open Researcher and Contributor ID is an individual 16-digit identifier that connects researchers to their intellectual outputs

iD 0000-1234-5678-0000

1

MITIGATES AMBIGUITIES & INCONSISTENCIES

You are unique, but your name may not be! ORCID distinguishes homonymous researchers and also unifies changes and variations in names.

2

IS PERSISTENT

Changing jobs? No problem! ORCID profiles can be updated while preserving your research portfolio true to your career path.

3

SAVES TIME

Logins and passwords overload? You can use your ORCID to access many publishers', funders' and universities' systems.

4

CREDITS THE RIGHT PEOPLE

Your citation counts and other impact metrics will be better tracked and more accurate.

5

IS FREE & EASY TO USE

ORCID is open, transparent, and non-proprietary. Registration is very simple and takes only about 3 minutes.

**YOUR TRAJECTORY IS UNIQUE,
YOUR RESEARCHER ID SHOULD BE, TOO!**
